

**THE
SALVATION**

**X
OF
GOD**

Dear Friend,

D **O YOU KNOW** that if you were to die now without Jesus Christ as your Saviour you will be sentenced to suffering and separation from God in eternal hell fire? This is because all of mankind have failed to keep God's Law (Romans 3:19). God made the first man. He was called Adam and he represented all of mankind. However, Adam sinned against God and as a result, all of his descendants inherited his sinful nature—so we sin against God naturally. We sin because we are sinners and not sinners because we sin. Our hearts are filled with filthy, evil, proud, deceitful, envious thoughts and cravings, etc.

The Bible says that the payment of sin is death forever, and so all of us are in a helpless and hopeless situation. We can do nothing to save ourselves. Our good works or 'penance' or efforts to 'turn over a new leaf' cannot save us from our sinful nature.

But the Bible says that while we were yet sinners, God sent His only begotten Son, our Lord Jesus Christ, to die

upon the cross for our sins in our place. By His grace we may have eternal life through faith in Him and His finished work on the cross and be set free from the power and bondage of sin and death, to Life—a holy life for God.

If God has spoken to your heart through the reading of this tract and you are convicted of your sin and eternal punishment, cry to the Lord God Almighty for forgiveness through our Lord Jesus Christ. Make peace with God through the blood of Christ. Repent of your past life of sin and self; of pride and greed. Beg for the blood of Christ to cleanse your heart and mind from sin and ask God to make you a new creature by His Sovereign Power and Grace. Go and buy a Bible if you have none and then read it. It is the Word of God and it relates how you may have not only eternal life, but also fullness of life on Earth.

Then go to a Bible-believing church to worship God for His goodness, greatness and grace. Hear God's Word there and learn how to live for Christ. Study God's Word and apply it to your life. Confess and cast off your sins and let the

Lord cleanse you and encourage you till you see Him face to face. Let Him purify your thoughts, words and deeds.

We must remember that merely telling others that we are Christians will not save us. Not even our “experience of conversion” will save us. One who says that he is a Christian and yet continues to sin wilfully without any struggle in his soul against sin, must examine his faith again. For if the Holy Spirit dwells in a person He will cause war against the flesh and sin. When God saves a person, He will purify him. So let us work out our salvation with fear and trembling, by God’s grace. Prove to the world the things that accompany salvation in our lives (Hebrews 6:9).
