

## Junior Department Promotional Sunday

**Proverbs 22:6** “Train up a child in the way he should go: and when he is old, he will not depart from it.”

Sunday School is a platform for children to fellowship with their friends and to learn essential Bible-study skills. In the Junior Department, we teach them that good Bible **HABITs** start young:

- H**ave a time set aside each day to read the Bible
- A**sk God to teach you from His Word
- B**e still and pay attention to what you are reading
- I**nvestigate the Scripture by asking yourself questions about it
- T**ake time to look up words and ideas you don't understand

Through a combination of Bible and missionary stories, we hope to inculcate that love for the Word and we also encourage parents to use the materials to do Quiet Time with the children during the week. The children sang *Lead Me, Saviour* (TSMS 271) and this echoes our prayer that the children will always remember to let Jesus lead them in every aspect of their life, even when they are older.

### Lead Me, Saviour

Savior, lead me, lest I stray,  
Gently lead me all the way;  
I am safe when by Thy side,  
I would in Thy love abide.

Refrain:

Lead me, lead me,  
Savior, lead me lest I stray;  
Gently down the stream of time,  
Lead me, Savior, all the way.

Thou the refuge of my soul  
When life's stormy billows roll;  
I am safe when Thou art nigh,  
All my hopes on Thee rely.

Savior, lead me, then at last,  
When the storm of life is past,  
To the land of endless day,  
Where all tears are wiped away.

We come to church to worship God, learn Bible verses, praise God and have fellowship with other Christians. I do like to sing songs like Amazing Grace and we give offering to God for Him to save us from our sins.

**Primary 4**  
**Sharon Quek**

In Sunday School, we learn a lot of things about God's love and His astounding miracles. The teachers make the lessons more fun and exciting. I'm glad that my parents bring me to church every week so that I can bring something new home and apply it to my life.

**Jolene Tan**

I think that the Sunday School Classes are fun and enjoyable. We also learn many lessons and stories from the Bible. Although the stories get repeated, I always get a different view of the story. I learn about how great and powerful God is and many other things. I enjoy Sunday School lessons and I hope there are many more exciting lessons to come!

The church has Sunday School classes for everyone. In Sunday School, we learn about God that made the world. We also learn that God loved us so much that he sent his only son to die for us. I enjoy Sunday School because it teaches us how to please God.

**Evangelyn Tan**

At Sunday School, we learn about God and the many different stories and lessons about Him. We have fellowship with one another and spend time together in Sunday School. Sunday School has taught me many lessons like obeying God and believing that He is the Son of God. I have been attending Sunday School since young and I feel it has become part of my life. I hope more people will attend Sunday School.

**Primary 5**  
**Stephen Lim**

I like Sunday School 'cos I love God. I think learning about God is fun. I can talk to others about things. We sing songs sometimes (eg. S-A-L-V-A-T-I-O-N), we also do fun activities and learn about the bible.

**Isaac Ong**

We learn about a lot of things ranging from the Bible to our everyday lives. Sunday School has taught me to be kind and to love. This is also a place where we can talk to others about our daily lives and problems.

**Samuel Sim**

I enjoy going to Sunday School because we learn old stories but with extra information to help us in our spiritual life and growth. We re-learn a story (eg. Noah's Ark) and learn something about God and what we should do in our life.

**Primary 6 boys**  
**Caleb Tan**

My name is Caleb Tan. I like Sunday School as I can learn cool stuff like how Moses parted the Red Sea and how the walls of Jericho crumbled down. I like listening to Bible stories as I find them very interesting and during Open Sunday we also sing praises to God. At first I hated singing songs but now I love it! The only thing that I don't like about Sunday School is that I have to wake up early.

**Jayson Loo**

I love Sunday School as we get to learn about God and fellowship with friends. We get more details about the Bible stories and this has taught me to be mature and to be more disciplined. Sunday School also teaches us ways to study and read the Bible and how to pray. We also learn about the temple in the past and how things are done, so you should come and join us in Sunday School to learn with us!
